Board's Committee Will Conduct Public Hearing at Ulster Court House; Six Types of Taxation May Under Law Be Levied Upon Residents of County

A special committee of the Board of Supervisors will conduct a hearing at the Supreme Court Room, Court House, Kingston, on Wednesday, July 9, 1947 at 8 p. m., regarding the request of various school districts in the county to levy the sum of \$399,479.64 in special taxes to defray the added cost of operation of the schools in the county for the school year 1947-1948.

These new taxes are the so-called nuisance taxes recently enacted by the state, to allow counties to raise additional money for schools without adding to the tax on Real Property.

The committee will report back to the Board of Supervisors

## Car Driver Held For Negligence in Fatal Collision

Augustus Roskosky Is Arrested by State Police Leaving Hospital

Augustus Roskosky, 35, of 830 Commerce street, Miami Beach, Fla., driver of one of two cars involved in a head-on collision near Glenclire on June 26 when Mrs. Agatha Blonczell, 60, of Catskill was fatally injured, was taken into custody this morning on being discharged from Kingston Hospital.

Roskosky was arrested by Corporal John Metzger and Trooper Edward C. Rock of the Ulster County Sheriff's Office and charged with criminal negligence.

Roskosky was arraigned before Justice of the Peace Percy Bush of town of Ulster where he asked for an adjournment in order to consult with counsel before either waiving examination or requesting a hearing. No time was set for the latter hearing.

On Thursday afternoon, June 26 Roskosky, accompanied by Mr. and Mrs. Morris Lederman of Forest Hills, N. Y., was proceeding north on Route 9-W. A truck ahead pulled to the left to pass a bus and the Roskosky car, according to Troopers, pulled over on the right and went over on the third traffic lane. At the time John Mark of Saratoga Springs, proceeding south, accompanied by Mrs. Blonczell and Helen Daniels of Catskill.

The cars collided head on, and Mrs. Blonczell suffered severe injuries and died on the way to the hospital.

Six persons in the two cars involved were injured and taken to the hospital. None of them was seriously injured except Mrs. Blonczell.

## Little Bruce McClure Takes Stroll in Woods

Although he caused his mother much grief, and ended up sobbing himself, Little Bruce McClure, 3½, had quite an experience Tuesday afternoon when he strayed from the Mavrick road in Woodstock. With his dog he "runned and runned and seed a snake too," as he described his romp through the woods with pop-eyed wonderment, after residents at the Bailey house, on Route 28, found him. His sobbing attracted them.

Young Bruce was able to tell his New York city address, but didn't know where his folks were visiting in Ulster county. So Sheriff George C. Smith was summoned. During his investigation around Woodstock, the sheriff learned about a boy being missing from the Mavrick road and turned the child over to his mother whose weeping turned to tears of joy.

## Treasury Receipts

Washington, July 2 (AP)—The position of the Treasury June 30: Receipts \$878,044,126.11; expenditures \$1,422,542,579.72; balance \$538,136,926.36; customs receipts for month \$35,135,303.55; receipts for year July 1 \$43,258,833.188.50; expenditures for year \$42,504,045,528.52; excess of receipts \$753,787,660.28; total debt \$258,375,293.83; increase over previous week \$185,968,559.61; gold assets \$21,266,393,091.88.

## Relief Bonds Paid

Albany, N. Y., July 2 (AP)—New York state has finished paying off \$214,955,000 emergency unemployment relief bonds issued during the "depression." A check for \$3,033,750, the final installment, was mailed yesterday to the Bank of Manhattan, the state's fiscal agent, Frank C. Moore. Interest on the bonds, issued in December, 1932, totaled \$25,469,950.

## Will Safeguard Plan

Washington, July 2 (AP)—What-ever American help is given to Europe under the "Marshall Plan" will be surrounded with safeguards to make sure that it actually is used for economic recovery, State Department planners emphasized today.

## Hard Storm Is Felt Over Wide Area

Central Hudson Suffers Most Damage Due to Lightning, Wind Tuesday Night

Limb Hits Car While Riding Near Maiden Lane

The first major electrical storm of the year struck the Kingston area about 7:30 o'clock Tuesday night, causing extensive damage to electric power lines, disrupting some telephone service, flooding streets temporarily, and knocking down trees and limbs over a wide area.

An accident directly attributable to the storm occurred at the intersection of Clinton avenue and Maiden Lane, about 7:40 p. m., when a falling limb crashed through the roof of a car operated by Hansie Darr of 175 Abel street, and injured Clarence Sharp, 34, of 27 Hone street, a passenger in the Darr car, a 1934 Pontiac sedan.

Sharp was conveyed to the Kingston Hospital in a Roosa taxi and treated for injuries to his left leg and foot. He remained in the hospital overnight and his condition this morning was described as good.

Central Hudson installations from Newburgh to Catskill bore the brunt of the storm which raged for several hours but no single area was unusually affected, according to Edwin T. Strong, district manager of the Central Hudson.

Wires Down at Kyserville

First reports of dislocated service came from Kyserville where falling trees carried down power lines. The High Falls section was next to report damages and reports came in intermittently from other areas in the city. Lightning damage to transmission lines reported in the Eddyville-New Salem area and at several points north and south of Kingston.

Power was interrupted for seven minutes on the lines feeding the Kingston-Woodstock-Bearsville-Pawling area where transmission lines were knocked down. The Central Hudson said, however, that only eight or ten customers were directly affected. A transformer was knocked out at First avenue and street lights in the up-town section, along Washington avenue, went out for a few minutes.

Mr. Strong said that although the storm was scattered over a wide area, emergency operations were easily directed by means of radio which enabled the local office to direct the work.

## Pole Snapped Off By Truck Collision

A power pole carrying electric and telephone wires was broken off on Wurts street, near Cornell Park, about 7 o'clock last night by a truck driven by Dawson Snyder, of 751 25th street, Detroit, according to a police report.

Cause of the accident was not reported, but the truck left the street and ran into the pole, knocking it down. The wires landed on the top of the truck and the driver removed later by Central Hudson.

Office of the phone company and James Burns directed traffic which proceeded cautiously until the wires had been cleared and the truck which was badly damaged in the front end, had been removed from the scene. The Board of Public Works placed red lanterns at the site, after clearing the street. Snyder escaped personal injury.

## Hotel Residents Get Notice Their Rents Will Increase

(By The Associated Press)

Permanent residents in many hotels throughout the nation have received notices their rents are to be increased.

Although a boost of 15 per cent was the most frequently reported, there were reported isolated cases of extreme hikes—of 300 per cent for a resident of a Denver tourist camp, and 200 per cent at a St. Louis hotel. New York city reported boosts of up to 50 per cent, but fairly common and one-hotel raised rates 125 per cent.

In contrast to increases by some hotels, there were others in some cities which announced there would be no boosts in rents for permanent residents. These included the Stevens in Chicago, the world's largest; the Somerset in Boston and the White Plaza in Dallas, Tex.

# Aldermen Vote \$100,000 to Repair 15 Kingston Streets; School Budget With \$22.44 Tax Rate Rejected by Council

Sent Back to Education Board for Further Consideration and Final Action

Over One Per Cent

Mrs. Bregman as Lone Objector Wants Issue Put to Taxpayers

A city school budget of \$1,081,522.54 setting a school tax rate of \$22.44 is back in the official lap of the Board of Education as the result of Common Council refusal to sanction it Tuesday night.

The councilmen recessed until next Tuesday night for regulation action after further consideration of the budget by the education board.

A report of the Finance Ways and Means Committee stressed the point that of the total budget \$542,857.85 is to be raised by tax levy and that the total assessed valuation liable to school tax levy is \$24,191,522.

The committee held further that the proposed budget, therefore exceeds one per cent of the assessed valuation by \$300,912.63, and it recommended that it be returned to the Board of Education which has the power of final action.

A resolution to that effect, offered by Alderman Victor E. Roth of the 12th Ward and seconded by Alderman John Buboltz of the Fourth Ward was adopted by the 11 voting councilmen. Alderman Herman Rosa of the Second Ward was absent and Alderman Thomas F. Coughlin was elected to preside over the session in the absence of Alderman-at-Large John Schwenk.

Rate \$4.80 Higher

The proposed budget set a school tax rate \$4.80 over that of a year ago when the councilmen also left final action in its adoption with the Board of Education.

Mrs. Adele Bregman, 142 Broadway, the only taxpayer to object to the budget, was allowed five minutes to present her case.

Should Consult Taxpayers

The school tax rate was "outrageous," Mrs. Bregman declared. She said that the taxpayers should be consulted before action is taken and added that "something has to be done about it."

The acting president of the council explained that the Board of Education has the sole power to adopt the budget.

A measure authorizing the continuance of parking meters on Clinton avenue between Main and Pearl streets stirred controversy along party lines before it was finally adopted by a vote of six to five.

The meters, which have been installed, it was contended earlier, were not covered by the original ordinance. The amendment now makes them legal.

The move was opposed from the floor by Aldermen Sammons, Roth and Zucca. Alderman Sammons led the opposition and said he called to see why they should be included at this time.

Some Motors Removed

Alderman Roth wanted to know why some meters had been removed where it was "found necessary" and Alderman Zucca stressed the point that the narrowness of the block and general traffic congestion led to parking inconveniences in the area.

Alderman Frank Oulton of the Ninth Ward moved the adoption of the report of the Traffic Committee on the proposal and the motion.

A recommendation by the Traffic Committee that "no parking" signs be placed at such localities where requests are made for loading zones, was sanctioned.

Housing Lease

The Council authorized execution of a lease between the city and the state covering the Veterans Emergency Housing unit in Loughran Park following the recommendation of such action by the Laws and Rules Committee.

A resolution authorizing the cancellation of \$1,580.25 in taxes on 15 properties was adopted. The measure was suggested in a communication from City Treasurer William B. Byrne, who designated the various reasons necessitating the cancellations. Some of the properties are now owned by the state and city and others were listed as untaxable for other reasons.

The aldermen also sanctioned payment of an additional \$29.89 as a tax refund to the River View Baptist Church, 240 Catherine streets on request of the Rev. Walter Washington and Atorney Joseph Avia.

Stony Hollow Fire Destroys House

Three Fire Departments Are Handicapped by Lack of Water

Fire which was discovered shortly after midnight in a vacant stone house at Stony Hollow practically destroyed the premises. A call was sent to the Kingston Fire Department at 12:15 and under the Mutual Aid plan the Woodstock department was notified.

On arrival lack of water prevented the Woodstock firemen from doing much to save the house which formerly was known as the Cannon premises. Chief Reginald Lapp of the Woodstock department was unable to obtain the name of the owners.

At 1:17 o'clock a call was sent to the Kingston department for additional hose and engine 3 from the old route, 28-A, near the Wittwyck station was dispatched to the scene with 1,000 feet of additional 2½ inch hose. The engine returned to Kingston at 2:30 a. m.

At about 2 o'clock a call also was sent to the Hurley Fire Department and that department responded with two engines but lack of adequate water prevented the firemen from saving the building.

Nearly a mile of hose, however, was laid to the stream on Route 28 below The Avalon.

The damaged house is located on the old route, 28-A, near the sharp curve just below the Urell premises.

## Plans Traffic Survey

Albany, N. Y., July 2 (AP)—The State Public Works Department said today it would conduct traffic surveys at White Plains July 10 for data to be incorporated in plans for state-financed systems of urban arterial traffic routes. Motorists will receive department-addressed data cards to check and mail to district offices. About 40,000 motorists are expected to participate in the White Plains survey.

## Demonstrations Provoked

Naples, July 2 (AP)—A government increase in the bread price yesterday provoked demonstrations in Naples which continued far into the night. Unrest was still in evidence today. The demonstrations, some of them led by women, blocked traffic as they attacked black-market stands where bread from American flour was on sale. To pacify them, the government promised to double bread distribution to dealers today.

## Held for Lombardo Thefts

New York, July 2 (AP)—A 27-year-old laborer was booked on a burglary charge late yesterday after, police reported, he admitted the burglary last March of the Long Island home of orchestra leader Guy Lombardo. Police said the man, who identified himself as Richard J. Leary of Hempstead, L. I., was arrested after he attempted to pawn a \$1,500 wristwatch in a pawnshop.

## Ready to Cut Buying

London, July 2 (AP)—A high government source said today Britain was ready to slash "really drastically" her entire overseas buying program if the Marshall aid-Europe proposal fails through.

## Move to Cut Tax Rates May Become Session's Finale

Final Action on Training, Federal Aid, Housing, Might Go Over to Next Year

Washington, July 2 (AP)—Republican leaders approached a decision today on a windup legislative program in which they may try again to cut taxes.

They probably will put off until next year, however, final action on universal military training, federal aid to education and a long-range housing program.

The top question before the Republican lawmakers at a meeting late today of the Senate G.O.P. Policy Committee was whether to attempt to re-pass the vetoed \$4,000,000,000 tax reduction bill.

Last minute nose counts apparently left doubt about the Senate's ability to override possible House action.

## Bus Extensions Are Asked, 3rd, 4th Wards

Another extension of bus service was asked of the Kingston City Transportation Corp., through a resolution offered by Alderman Edwin H. Sammons of the Third Ward, and seconded by Fourth Ward Alderman John Buboltz at the Common Council meeting Tuesday night.

It asked for bus service in the Third and Fourth Wards in the vicinity of First, Second and Third avenues, East Chester street, Clinton and Flatbush avenues "together with the cross streets thereof," and was referred to the Railroad and Bus Committee.

This section, the resolution said, includes areas "far removed from the existing public bus routes." It stressed the point that the area is heavily populated and its residents are in "dire need" of its service.

It requested that the service "should be similar, at least, to the service which has been extended to the Wilbur section." It asked that both the transportation company and the Public Service Commission be notified "so that action may be taken at once."

## Prisoners Capture Mindoro Island Capital, Seize Three

Manila, July 2 (AP)—Thirty-two heavily armed escaped convicts last night seized control of Calapan, capital of Mindoro Island, but military police reinforcements restored order late today after a bitter gun fight in which the rebel leader was killed.

Governor Conrado Morante of Mindoro telegraphed Malacanang palace that 10 of the jail breakers had been captured, 19 still were at large and three were killed.

The pilot, Flight Capt. Manuel Conde, reported he had been captured by a Lieutenant Romero, former military police officer serving 16 years for rape and who had boasted he controlled the town.

Romero and about 45 men broke out of the prison stockade, taking with them Governor Conrado Morante, Calapan's Mayor Florencio Sumano and the city's police chief. One congressman also was reported taken along as hostage.

He was Representative Raul Leuterio, majority floor leader. Romero then forced the town's police and one platoon of military police to disarm and rounded them up in a stockade the prisoners had just occupied.

Radio operators at the airfield and aboard ships anchored in Calapan harbor were seized simultaneously, blocking out all communication with the outside world. Conde said Romero was killed with a bullet in the head during a bitter battle with military police at the airport today.

That was not the end of resistance, however. The town still was in control of the escaped prisoners in the afternoon.

There was no indication of the fate of Governor Morante, who was reported taken to a hideout designated only as Casablanca.

Military police headquarters reported that the city's police chief, One congressman also was reported taken along as hostage.

He was Representative Raul Leuterio, majority floor leader. Romero then forced the town's police and one platoon of military police to disarm and rounded them up in a stockade the prisoners had just occupied.

## Minority Gives Approval on Improvements but Cautions on Increase of Bonded Debt

Repairs Urged

Street Serial Bonds Are Authorized to Pay \$95,000 Main Cost

Fifteen new street-improvement projects listed by the Board of Public Works are backed by an appropriation of \$100,000 approved by the Common Council in regular session Tuesday night.

A majority report of the Finance, Ways and Means Committee favoring the program and the appropriation drew no negative vote, but in a minority report Alderman Victor H. Roth of the 12th Ward warned that "We must recognize" that "we are unduly expanding our bonded indebtedness for street construction."

Need for the street-construction program was stressed in letters from Mayor William F. Edelmutz and Ernest A. Stearns, superintendent of Public Works, which were read to the councilmen.

The aldermen also authorized the issuance of Street Improvement Serial Bonds in the principal amount of \$95,000 to "meet portions of the cost not met by the down payment of \$5,000, in making the appropriation official."

The mayor in his letter said that the superintendent of Public Works had called attention to the condition of the streets at the June 13 meeting. He explained that the balance of the bond issue of January, 1947, as approved by the council, has been designated to finish North Front, Main and Elmendorf streets.

Streets to Be Fixed

He stressed the point that considerable favorable weather will be left after the completion of the other work and advised that the program be backed by the appropriation.

The streets listed for repair are:

Albany avenue—Roosevelt to city line.

Broadway—Foxhall to Newkirk.

Broadway—Rogers to Ferry.

Greenkill—Washington to Marquis.

Greenkill—Broadway to Clinton.

Greenkill—Greenkill to Glen (Immit).

Glen—Hammit (Marius) to city line.

East Union—Broadway to Hasbrouck.

East Pierpont—Chambers to Hasbrouck.

Meadow—Hasbrouck avenue.

Abrams—Delaware to Strand.

John—Ful to Green.

Lucas—Washington to city line.

South Wall—Walkhill to Valley R.R.

First—R.R. crossing to city line.

Estimate is \$173,146.

The total estimated cost is \$173,146 and the estimated total street area to be repaired is 85,705 square yards.

The minority report of Alderman Roth in full follows:

The minority report of Finance, Ways and Means Committee: The Common Council has been asked to approve a bond issue in the amount of \$100,000 for street construction and reconstruction. The request has been referred to your committee for its consideration.

Cannot Divert Money

In 1906 the Common Council approved a bond issue in the amount of \$100,000 for street construction and reconstruction. All of this money was not used in that year and part of it was the source of an apparent surplus in the city treasury at the end of the fiscal year of 1906. I again wish to point out that the money derived from the bond issue for street construction and reconstruction can only be used for those purposes and cannot legally be diverted towards the running of the city.

In January of this year the Common Council approved another bond issue for street construction and reconstruction in the amount of \$100,000. We are informed that this amount has been allocated to the work on Elmendorf, Main and North Front streets.

We are now told that unless there is immediate approval of another bond issue all street construction and reconstruction will cease. Sound financial management of the city involves the element of foresight and anticipation of needs and I do not approve of the tactics of threatening to cease all street work unless a bond issue is approved at the instant it is requested.

Should Finish Broadway

Nevertheless, I recognize that there is great need of street construction and reconstruction in our

## Teacher Pay Group Chooses Spaulding As Its Chairman

Albany, N. Y., July 2 (AP)—State Education Commissioner Francis T. Spaulding is chairman of a 21-member advisory committee on teachers' salaries.

Spaulding, who appointed the committee recently to help formulate standards upon which "merit" salary increments will be granted under the state's new minimum salary law, was chosen yesterday by the group.

The committee completed a twelfth session and voted to meet again at Albany July 28 and 29.

Vice-chairmen of the committee are Bernard E. Donovan of Brooklyn and Miss Marie Schuler of Kenmore. They will serve with Spaulding as the group's steering committee.

Donovan, who teaches history at Bay Ridge High School, Brooklyn, was named chairman of the committee on administration. Miss Schuler, Kenmore High School's physical education teacher, is chairman of the committee on standards.

## Eastern New York Cooled by Storms

Albany, N. Y., July 2 (AP)—Heavy thunderstorms over most of eastern New York brought cooler weather today, ending a four-day heat wave.

The storm, accompanied by electrical disturbances, disrupted communications throughout the east, but brought temperatures down from a high of 91 in Albany and marks in the eighties in other parts of the state.

A house at Hartford, in southern Washington county, struck by lightning, was badly damaged by fire during the storm. At Alton, in Delaware county, trees were leveled and the community was without telephone or electrical service for several hours.

Telephone lines and some phone circuits were out temporarily in neighboring areas along the Canadian border and in the eastern Adirondacks.

A Delaware & Hudson railroad spur line was washed out between Hudson Falls and Lake George. The hottest day of the year in New York city produced a toll of five persons drowned at beaches. The death of a carpenter who collapsed at work, was attributed to the 87.8 degree heat.

## Jitters in Jerusalem

Jerusalem, July 2 (AP)—The nervousness of an Arab laborer, who mistook a stick of wood for a bomb, was blamed by police today for a general alarm which created intense excitement in Jerusalem shortly before midnight last night. It was the second such false alarm in the Holy City in 14 hours and reflected the high tension throughout the Holy Land. On both occasions British troops rushed to strategic points, traffic was halted and strict security measures were clamped down. So jittery were police last night that several turned in "reports" of what they believed to be explosions and gunfire after the general alarm sounded. Investigation showed the reports were groundless.

## Safety Council Says 275 Will Be Killed

Chicago, July 2 (AP)—The National Safety Council said today that 30 million cars will be on the nation's highways over the three-day Fourth of July holiday, causing the biggest traffic jam in history, and that 275 persons will be killed in traffic accidents. The council added its estimate covers only immediate traffic deaths. Other victims will die later of injuries suffered over the holiday.

The council gave this advice to holiday celebrators: Don't speed on the road. Don't drink if you drink. Don't use fireworks. Don't overdo, in exercise, eating or exposure. Don't swim alone. Know the depth of the water, wait at least an hour after eating, and don't indulge in horseplay.

## Pupils Here Are Under Strict Eye Of School Doctor

According to the annual report of Dr. Henry W. Keator, medical supervisor of public and parochial schools in Kingston, practically every pupil in the city was examined by him or his assistants.

Out of a total registration of 4,780 in the public schools, 4,766 were examined, and in the parochial schools 989 out of 991.

In the public schools 1,455 were found without defects and 364 in the parochial schools.

Defects corrected or under treatment among public school pupils was 66.5 per cent and 72 per cent in parochial schools.

Teeth and gums led the defects; eyes, second; tonsils, third, and ear difficulty fourth.

## Too Much Talk in U.N. Says Girl With Lollypop

Lake Success, N. Y., July 2 (AP)—Suzanne Bartos, who is nine and has braided brown hair, brought a bunch of red and white roses yesterday as a gift of "a little sunshine" to the United Nations.

William E. Stoneman, personal adviser to Secretary General Trygve Lie, placed the roses in a prominent place in the delegates lounge before the eyes of the little girl's Belgian-born mother, the wife of Elmer Bartos, a Hungarian architect of Flushing, N. Y.

"What do you think of the United Nations?" Stoneman asked Suzanne, after she explained that "Mummy told me" about the world organization. Putting aside her lollypop momentarily, Suzanne replied:

"I think they talk too much."

## Charged With Rent Fraud

New York, July 2 (AP)—A 19-year-old college student was held by police today, charged with having sublet a five-room Manhattan apartment to seven different persons. The youth, who identified himself as Benjamin Chilmann, a former student at the University of Illinois, was arrested and charged with grand larceny yesterday after he accepted a check for \$900 from an employee of a furrier concern for a six months' sublease of the apartment, police reported.

### Local Graduating Class Is Tribute To Guidance Tips

Kingston Leads Neighbor Cities With 403 at the High School: Tobin Praised

This year's graduating class at Kingston High School is a tribute to the guidance department, directed by James E. Tobin, according to school officials.

The 1947 class, numbering 403, was the largest ever graduated by the local institution and surpassed those in neighboring cities of comparable or even greater population.

Only 26 of those who contemplated graduation failed to pass their examinations, representing 6.8 per cent. Those who received diplomas made up 93.2 per cent of the class.

The guidance department began operating in 1945-46 on a full-time scale and at the end of that period the graduating class showed an increase of 77. This year it was 85.

Since the guidance department has been functioning on a full-time basis, it is noted, fewer students have dropped out of school for lack of interest in their studies or failure to keep up with their work.

It is the aim of the department to guide some students along lines in which they have exceptional abilities, helping them to specialize, and others take the required subjects for higher education when they leave high school.

Those who praised the program stressed that without proper guidance some students are apt to take subjects that appeal to them at first and decline to select those they'll need for college entrance after graduation.

Under the guidance program students are advised on what to study for college and those who do not intend to continue their schooling after graduation into a course that will fit them for business and trades activities in later life.

This program has eliminated to a great extent, school officials say, the possibility of pupils entering their senior year without the necessary subjects for graduation or going out into the world ignorant of the fundamentals they need to specialize in various lines.

**KRUMVILLE**

Krumville, July 2—Miss Diana Ellen Richert celebrated her third birthday last week with a party at her home, entertaining Sue Ann and Nancy Kelder, Patricia Kinkle, Lillian Jeffs, Thomas and Kathleen Stella and Robert Shultis. Mrs. Richert was assisted by the following mothers: Mrs. Robert Shultis, Mrs. Laurence Kunkle and Mrs. Bradford Kelder.

Martha and Beverly Davenport of Stone Ridge spent a few days last week at the home of Mr. and Mrs. Lorin Hoyer.

Miss Ellen Andersen was the guest of honor at a luncheon party at Judge's in Kingston last week. The party was in honor of Ellen's graduation. Those attending were Ellen Andersen, Lois Gray of Olive Bridge, Mrs. Lorin Hoyer, Mrs. Floyd Brown and Mrs. Carl Andersen, and friend.

Mrs. Arne Jacobsen and daughters, Ruth and Edith, are visiting friends in New York city.

Mr. and Mrs. DeKay and family of Middletown were guests of Mr. and Mrs. Henry Merriew Sunday.

Mr. and Mrs. Floyd Beesmer spent a few days last week at the home of Mr. and Mrs. William Lortz.

Audrey and Mary Botella are visiting their parents, Mr. and Mrs. Juan Botella this week.

Mary and Esther DeKay of Middletown are visiting Mr. and Mrs. Henry Merriew.

Mrs. William Lortz is taking treatments at a Poughkeepsie hospital several times a week.

### Rudy Goldman Takes Boys' Skating Title

Oakland, Calif., July 2 (AP)—Twelve-year-old Rudy Goldman is the new junior boys' national roller skating champion but he had to come from behind to get there.

The Brooklyn boy showed a spectacular free-skating routine yesterday to the crowd at Oakland Civic Auditorium, where the national roller skating titles are up for decision this week.

His roller magic was enough to put him ahead of Roger Fuerst of Dayton, Ohio, by a bare 253.9 points to 253, after Fuerst had outscored him by three-tenths of a point in the morning school figure test.

Joan Westenberg, 13, E ment, N. Y., won the junior girls' national crown, scoring 262.2 points to defeat Queenie Williams, 13, Cleveland.

### NOW SHE SHOPS "CASH AND CARRY"

Without Painful Backache  
 Many sufferers relieve nagging backache quickly, once they discover what the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pain, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty urination with burning and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 50 years. Doan's gives happy relief and will help the 16 million kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

### Mountaineers Find Child After 48 Hours

Lassen National Park, Calif., July 2 (AP)—Hardy little Greta Mary Gale appeared to be in excellent condition today—so healthy, indeed, that veteran mountaineers were amazed that she could have been lost 48 hours in this rugged area.

The two-and-a-half year old toddler, granddaughter of former Congressman John H. Tolan of California, was wearing nothing but panties when found on a slope of Mt. Harkness a mile from her family's summer cabin. The temperature had dropped to 25 degrees during the two nights in which more than 300 searchers combed the area and additional hundreds were being recruited.

The family explained that the child always undressed herself before taking a nap, but had difficulty dressing a circumstance which might account for her being found nearly nude.

The joy attending the child's rescue was mingled with sorrow. Her parents, Mr. and Mrs. William Gale, Jr., of Oakland, made arrangements for the funeral of Tolan—who died Monday of a heart attack resulting from the shock of his granddaughter's disappearance.

## Hit and Run Driver

A 1941 Hudson sedan owned by Joseph Sottile, of 134 North Front street, was struck by a hit and run driver in front of 347 Washington avenue about 7 o'clock Tuesday evening, according to a report filed

with the police. Mr. Sottile said the driver proceeded south on Washington avenue, after striking the left side of his machine which was scraped and dented. The unidentified car bore registration plates, 5Y 94-26, he reported.

## Vincent Reports Damage To Rear of Roadster

A Ford roadster owned and operated by Robert Vincent, of 15 of Golf Terrace, was damaged severely in the rear end when struck by another vehicle the driver of which drove off before identifying himself at municipal stadium Tuesday evening. Mr. Vincent reported to police.

Mr. Vincent said his car was stopped in the ticket line for the baseball game, about 6:30 p. m., when a roadster bearing license 8D 64-20 backed from Washington avenue into North Front street, extending and into the Vincent machine, jamming under the rear bumper.

With the help of several bystanders, the cars were unhooked but the other driver went on his way without identifying himself.

## Silent on Slay Charges

Lake Success, July 2 (AP)—American officials declined to comment today on alleged Yugoslav charges made in the United Nations Security Council, that the United States was guilty of "open intimidation" in the Balkans. Council delegates were unable to agree on just what Yugoslavia meant, whether it was a slap at the United States for furnishing aid to Greece, or aimed at Yugoslav displeasure with statements made by Mark E. E. American representative on the U. N. Balkan Investigation Commission.

## Study in Contrasts

Native garb of Senegalese tribesmen from the Portuguese Congo matches in picturesqueness the colorful costumes of the Vatican's Swiss Guards. Tribesmen were received by Pope Pius XII following recent canonization of Joao de Brito, a Jesuit priest who worked in the Congo.

bell and family left Monday for their summer home at the Country Club, Red Hook.

Louis Palmer, Ralph Castellano, William Thompson went to Mechanicville Friday night to attend sessions of the Hudson Valley's Firemen's Association meeting there.

Miss Jeannie Connor of the local graduating class held a position with the Wallace Company, Poughkeepsie, in the toy department. Robert Sandy is employed by the water company and Miss Ann Wilcox is assisting Dr. Carl Meekins in his office bookkeeping.

Mr. and Mrs. C. I. Richards and Danny Lavelle returned Friday from Boston where Mrs. Richards' son, Jerry Lavelle graduated from Wilson school as X-ray and medical laboratory technician. He accompanied them home.

William and Harvey Short have sold their cabin cruiser to parties from Schenectady.

Mrs. Joseph Tarinor has accepted a position to teach physiology at Vassar College next year.

## Goes to Jail Despite 'Operation' for Burglary

Pittsburgh, July 2 (AP)—Mildred F. Wright, who has spent 15 of her 38 years behind bars, went back to prison today after a judge branded as a "publicity stunt" the brain operation he underwent to cure his "criminal tendencies."

Judge J. Malcolm McDonald sentenced the self-styled "career burglar" to two to 12 years for 10 robberies committed in 1945.

Commenting on Wright's voluntary submission to the surgery, performed last April 15 with court permission, the judge said:

"It (the story of the operation) reads like the story of a dime novel surgeon. I have no confidence in such surgery. Hopes perhaps, but no confidence."

Dr. Yale David Koskoff, who performed the operation free of charge in the interests of research, declined comment on the judge's statements.

Previously Dr. Koskoff had pronounced it a "surgical success" but said only time could determine whether it would correct Wright's "impulses."

The operation was described by Dr. Koskoff as a prefrontal lobotomy.

## New Paltz Man Fined

Walter Jordan, 43, of Springtown Road, New Paltz, was arrested Tuesday by Corporal John Metzger and Trooper Edward C. Rock of the Lake Katrine B.C.L. unit on a charge of having last March 25 drawn a check on his wife's account for \$20 which he

Capt. Virgil Tompkins came back from Augusta, Ga., Thursday and on Monday left for Washington.

Miss Martha Benesch, mathematics instructor in the high school left this week for her home in Tyndall, N. D.

The G.I. club meets Thursday evening with Mrs. Virgil Tompkins and her sister-in-law, Mrs. Richard Burton, Jr., assisting hosts.

Plans for a picnic supper at the next meeting of the U.D. Society, July 12, were made at the meeting Saturday with Mrs. Thomas Sears, Mrs. S. D. Farnham, Mrs. Sears and Miss Eliza Raymond were appointed the refreshment committee. The members will meet at 4 o'clock for a meeting and be joined later by the husbands of members for supper; Miss

Raymond reported that the U.D. flag which is placed in the library had been cleaned and was ready to be replaced. The U.D. society members revived the observance of Memorial Day and in recognition of that the 156th Regiment members presented the flag on October 19, 1915 at a public ceremony in Feeter's Hall. Miss Neesle, daughter of the then head of the regiment presented it and Mrs. L. B. Maynard accepted it for the society. The star at the top of the pole was the gift of Commander Edmund Patridge. The 58th afghan is completed and will be sent to Castle Point. The 58th afghan is now being knitted.

Those attending were President A. Jerome Pratt, the Misses Bell, Brinkerhoff, Laura Harcourt, Eliza Raymond, Mrs. Harry Colyer, Mrs. Charles Champlin, Mrs. Mabel Hasbrouck, Mrs. J. W. ### Bull Terriers Chew Youngster to Death

New York, July 2 (AP)—Eleven year-old Stanley Balaban, was chewed and clawed to death yesterday by a pack of bull terriers in a tract of undeveloped marshlands and a patrolman sent to investigate the case was injured severely by the "animals" before they were driven off by gunfire.

The boy was attacked after leaving a Bronx swimming pool where he had gone with his mother.

Several hours later, another boy crossing the marshlands noticed five dogs tearing at some object—then he saw a boy's foot, chewed to the bone, protruding from tall grass and called police.

Patrolman Louis Rissone 31, went to investigate. As he approached the pack, one of the dogs lunged at him and threw him to the ground while others circled about.

As Rissone wrestled with the animal, reinforcements arrived and fellow policemen finally shot two of the dogs dead while the others scattered. The other animals were rounded up and sent to the Society for the Prevention of Cruelty to Animals.

Police said the dogs were owned by Svend F. Sandgren who was quoted as saying the animals usually were kept locked up in a

bungalow-type toathouse. He could not offer any explanation as to how they got loose.

Assistant District Attorney Marvin Lechtman said no arrest would be made in the case but that it would be presented to the

grand jury when Rissone, who was injured severely, was able to appear before the body.

## Thunder Rock Is Considered 'Must' For All Playgoers

Woodstock, July 2—After an appropriate overture by the elements, Thunder Rock opened last night at the Maverick Theatre in Woodstock. The play itself is full of strange and interesting situations. Serious and uncanny for the most part but lightened here and there with humor.

The play will continue through Sunday with curtain time at 8:45 p. m.

The work of the Maverick Players rose at times to very high levels; however, there were some rough spots in the characterizations which one could see were due to the stress under which the young actors were working.

The scene was well conceived and executed. The use of lights of various colors added much to the visual impression which prepared the minds of those watching for the action on the stage.

**Outstanding Characterization**—Jeanne Jerrams as the part but wistful little girl spirit who is jealous of living women did an outstanding characterization. Her sureness and evident feeling for her part made one forget that she is not a veteran.

William Howell who played the very difficult male lead Charleston, handled this exacting part with sincerity. Two parts were outstandingly played by Fred Saffell as Briggs and James Sadoff as Captain Joshi. Sadoff rose to heights during his performance. The audience were literally spell-bound by his work at times. Doohan in his role of the hearty skipper probably gave as good a well-rounded consistent performance as the part could have received.

The characters of Miss Kirby with Priscilla Amick and Anne Marie played by Terry Greene were well portrayed.

Streeter, an aviator, and Inspector Flannagan, a lighthouse service official were competently played by Ken Paine and Bill Major respectively. Dr. Stefan Kurts portrayed by John Howard was an impressive figure of a bygone day.

**Is Considered a 'Must'**—All in all, the Maverick Players presentation of Thunder Rock was what the theatre-goer is always in hope of seeing but seldom is fortunate enough to witness, an inspired performance. Never descending to the mediocre, never tritely interpreted, never handled in a matter of fact manner, the lines of the play seemed to mean something vitally important to the young people who were saying them. True, there were still a few bits of polish lacking in the opening performance, but the inner fire of this gem of a production shone brightly through any

such slight imperfections. For those who admire the cut and dried or the prosaic, or the run of the mill, Thunder Rock might prove too excellent fare, but for any play-goer with a real appreciation of enthusiastic young artistry, this is a must.—P. H.

## Edith King Opens In Fatal Weakness

Woodstock, July 2—George Kelly's The Fatal Weakness, with Edith King, Broadway and Hollywood star, in the leading role, opened Tuesday night at the Woodstock Playhouse. It will continue through Sunday. Curtain time is 8:45 p. m.

It is a play in which five confused characters parade adult frustrations and only three of them come to any conclusions. The role occupied by Miss King on the Playhouse stage was that of Ina Claire on Broadway.

In addition to Miss King as Mrs. Paul Espenshade those who may be seen are Helen Martin as Anna, the maid; Virginia Downing as Mrs. Mabel Wentz; Marsh McCleod as Penny; Don McHenry as Paul Espenshade and Michael Sivy as Vernon Hassett.

E. A. Fischong has done an excellent job with the stage setting, which is the apartment of Mr. and Mrs. Espenshade, wherein all the action occurs. The play is under the direction of Robert Gill.—R. G.

## Library Fair Will Be Held July 31; 20th Anniversary

Woodstock, July 2—Chairman Rosalind d'Albis and co-chairmen Elsie Goddard and Anita Stallforth make the announcement, which is always eagerly awaited not only in Woodstock but throughout the Hudson valley as well as in some of the nearby New England states and eastern Pennsylvania, that the 20th Annual Library Fair will be held on the Library Green, Thursday afternoon, July 31, from 2 until 6 o'clock.

While there will be additions made to the list of committee chairmen and their assistants, those signifying their desire to make this fair in the 20th year of the library's history, the biggest and best ever are Mrs. John McClelland, who with many Woodstock Girl Scouts will take charge of the collection center at Mrs. Allen's schoolhouse from July 21 to July 31.

Other committee chairmen include Mrs. E. Claire Friedberg, who will be in charge of the book table. Her assistants will be Barbara Herrick, Babette Bird, Mrs. Oxenduff, Gloria Cocuzza, Frances Rogers, Claire Gilsrup, and Elsie Kimball.

Mr. and Mrs. Carl Hubbell will

Among prominent Woodstockers who will head committees for the annual Woodstock Library Fair are, front row left to right, Mrs. Clark Neher, Mrs. Lewis Wilson, Miss Anita Stallforth, Miss

Elsie Goddard; Mrs. Rosalind d'Albis, general chairman; standing are Mrs. Peg Hard, Mrs. Blanche Rosett, Mrs. Margaret Carlson, Miss Priscilla Kennaday, Mrs. William Mower and Mrs. John Harrison. (Freeman Photo)

take charge of The Flea Market, a new idea for this fair. Carl is a well-known cartoonist in Woodstock who can be counted on to make the most of this idea.

Mitzi Byrd, chairman of the doll table, is a student at the Art Students League and will have for her assistants, other League students, Don Chandler, Ed Shev-make, Dick Reasoner, and perhaps others.

Food table will be well staffed with Mrs. William Mower and Mrs. Fred Mower as co-chairmen, assisted by Mrs. Effie Happy, Mrs. Bernard Lupo and Mrs. Eva Burt.

Helen and Alf Evers will be found at the children's books table. Mrs. Henry Robinson is chairman of the Clothing Table; Mrs. Carl Eric Lindin and Mrs. Clough, co-chairmen. More information regarding this committee will be given later.

Mrs. Lewis R. Wilson, chairman of the Infants Wear Table, will be assisted by Mrs. Irving Ostrander and Mrs. LaMonte Simpkins.

Mrs. Clark Neher, chairman of Accessories will be aided by Mrs. Ernest Muller, Miss Sterling Wolven and Miss Jane Neher. Apron committee of which Elizabeth G. Wyman is chairman, includes Mrs. Howard Peck, Mrs. Bertha Drucklieb, Mrs. Diecken, Ruth Greenwood, Mrs. J. J. Cosgrove, Dorothy Ratterman and Miss Elgar. Other committee members will be announced.

Mrs. John Harris, chairman of ice cream and soft drinks and Mrs. Edmund Gilligan, co-chairman have not completed their committee list but so far includes Mrs. Albert Gaeser, Mrs. William Monere, Mrs. Anthony Henderson, Miss Gloria Cocuzza and Miss Anne Gracser.

Flower Table, Miss Anita M. Smith, chairman; Mrs. Henry Barclay, Miss Harriet Goddard, Mrs. Benton, Mrs. Dubrow, Mrs. Henry Wehle, Mrs. Lucette Roulon, Miss Harriet Goddard.

Mrs. Blanche B. Rosett has again accepted the chairmanship of the Quality Table. She will be assisted by Mrs. Walter O'Meara, Mrs. Douglas Bralk, Mrs. Walter McTeague, Mrs. Aubrey Nolle, and Mrs. Alfred Foes. Miss Rosett has had this table for many years and devotes a great deal of time throughout the year collecting interesting items, chiefly in New York city where she spends the winter months.

Mrs. Edith Temple will be chairman of Jewelry. On her committee, Mrs. Dunne and Mrs. Larson will be responsible for cash. Those who will sell the jewelry are Mrs. Dawson, Mrs. Sayles, Mrs. E. Roentgen, Mary Townley, Mrs. Arndt, Mrs. Hobart, Miss Alice Fisher, Mrs. Van Ness, and Mrs. Dietz.

Maud Petersham and Margaret Carlson are co-chairman for Textiles and will be assisted by Ruth Hamati, Rita McNamie and Polly Steele.

Publicity Committee will include Peg Hard, chairman; Kitty Boyd, co-chairman; Helen and Alf Evers, Walter O'Meara, Edmund Gilligan, Henry M. Robinson, Sara Midden-dorf, Tomas Penning, Carl Hubbell, John Pike, Dave Hufine, Jim Tuck, Ken Wilson, Julia Learycraft, Victor Darenne, and others to be announced within the week.

With the exception of books which should be given to Mrs. Thompson, librarian, all other articles for the fair may be left at the collection center beginning July 21.

Many special features besides the tables listed are being arranged and will be announced as soon as details are completed.

Other committees are: Toys, Miss Priscilla Kennaday, Mrs. S. C. Vorenberg, Miss Dorothy Healey.

Character analysis, Mrs. John Kingsbury.

Mrs. Georgie Sargent will have a special booth.

Buttons, Mrs. Oresles Cleveland. China and glass, Mrs. Benton, Mrs. Clement Chase and Mrs. Murray Hoffman.

Hot dogs, Mr. and Mrs. Eugene Ludins. Silhouettes, Mrs. Rudolf Weteran. Ponies, Milton Wagenfohr.

## Will Show Film Starring Olivier

Woodstock, July 2—Henry V, the Theatre Guild technicolor film hit which stars Laurence Olivier, will be shown at the Woodstock Town Hall Theatre Sunday and Monday at 2:30 and 8:30 p. m. All seats will be reserved.

The first film ever to be sponsored by The Theatre Guild, Henry V has become the talk of the country as the first successful translation of Shakespeare into modern screen entertainment.

Set as a play on the stage of the famed Globe Theatre in Shakespearean England, circa 1600, the "photographed play" is described as a stage performance in celluloid showing the invasion of France, the exciting charge of the knights of Agincourt and the love scenes between Henry and Princess Kate.

Olivier, whose recent appearances on Broadway as leading member of the Old Vic company have catapulted him into first rank as an actor not only has the starring role in Henry V; he also produced and directed.

Supporting him are some of England's most popular stage stars, including Robert Newton as Pistol, Leo Genn as Constable, Felix Aylmer as Archbishop of Canterbury, Rene Asherson as Katherine, Leslie Banks as Chorus, Esmond Knight as Fluellen.

## New York League Will Hold Exhibit

Woodstock, July 2—The Art Students League of New York will hold an exhibition of the work of Woodstock residents who have been students or instructors previous to this summer in the New York or the Woodstock school.

As the exhibiting space is limited and the League expects a large response, exhibitors are requested to limit their paintings to no larger than thirty inches in any diameter. The example of work is to be delivered to the Art Students League Woodstock office up to and including July 10. Formal opening will be July 13. The exhibit will continue through July 31.

## Willow Pastor Will Take Vermont Charge

Woodstock, July 2—The Rev. Jesse Russell of Willow will preach his farewell sermon Sunday at the following churches, Willow at 11 a. m., Chichester, 3 p. m. and Acorn Hill at 8 p. m.

The Rev. Mr. Russell expects to move soon to take up a pastorate near Brandon, Vt. The Russell family will be missed by their many friends, the congregation reports.

## Flag Tournament Is Scheduled for 4th

Woodstock, July 2—Warren Townley, golf pro at the Woodstock Country Club announces a Flag Tournament to be held Friday, July Fourth and a mixed tournament, Saturday. Both of these events are for the club members.

A dinner party on Friday evening and a dance on Saturday evening will add to the holiday festivities at the club.

## Collier's Staff Does Feature on Art League

Woodstock, July 2—A group of photographers and writers from Crowell-Collier's Publishing Co. who were in Woodstock during the week-end gathering material for a feature story on the Art Students League were: George Kauper, Ulrich Calvosa and Richard Chaplin.

bition for several days. The proceeds from the exhibition will be donated to the Children's Nursery, since Mrs. Brooks says it is not the intention to commercialize, in any way, the work of the children.

Through an oversight, proper mention was not made of the fact that Rudolph Galleries were responsible for the sale of Mark Vukovic's painting Quarryville in Winter to the New Paltz State Teachers' College for permanent hanging.

## Guard Unit Returns

The Kingston unit of the 56th Infantry, New York State National Guard, arrived in Kingston today after the annual 10-day training period at Camp Smith, Peekskill. The unit was commanded by Major John Schwenk.

Headquarters to dispatch emergency crews to troubled areas within a minimum of time.

Central Hudson planes today were inspecting the wide storm area, searching for breaks in power lines and reporting generally on the east side of the system. The Central Hudson district manager said all power would be restored by noon today.

Telephone Damaged Slightly

New York Telephone Company facilities escaped serious damage, although Charles E. Burnett, manager of the Kingston plant, said approximately 100 lines and 250 telephones were put out of commission for varying periods. The dislocations were not centered in any particular area, he said, and reports began trickling in of telephone trouble from points all over the county.

High Falls appeared to be hardest hit, and 25 telephones were out of order in that community. Mr. Burnett said that most of the damage was caused by excessive water but that there had been little damage by falling trees or knocked down wires.

Emergency telephone crews worked throughout the night at scattered points and complete

service was expected to be restored by noon.

Although the storm, after threatening ominously since early afternoon, broke like a cloudburst, no excessive damage was reported to Kingston streets. Several spots were swamped for a few minutes but the waters receded quickly after the first shock of the storm.

Board of Public Works crews and the police and fire department kept busy responding to emergency calls from alarmed citizens who feared live wires whenever trees crashed down on power poles. The B.P.W. removed fallen trees and limbs and placed red lanterns and caution signs at all dangerous points.

**Police Kept Busy**

The first call to police headquarters came shortly after the storm broke, and it was for a tree limb down near 135 Wall street. In rapid succession came calls from 234 Main street for a broken limb, 110 Franklin street and Oak street for falling limbs that were causing wires to shoot sparks, and from 169 Washington avenue and 108 Main street.

That was just the beginning, so far as the police were concerned. A short while later, a tree came tumbling down in front of the residence at 49 Shufeldt street, and the callers said live wires were shooting sparks. Officer Kenneth Hyatt and Leonard Ellsworth were dispatched to the scene in radio cars and they notified the fire department.

Officers Hyatt and Ellsworth answered a call to Green and North Front street about 7:50 p. m. for a fallen limb on live wires. At 8 o'clock a large limb was reported down Wall street near Marius street. The two officers pushed it aside. An electric wire was reported burning on Elmendorf street, north of Manor avenue, about 9:06 and that was brought under control by the fire department.

**Firemen Snuff Hot Wires**

Fire Chief Joseph L. Murphy said that although the firemen were kept busy snuffing out live wires and standing by for possible trouble at various spots during the height of the storm, there was not a single fire reported in the city.

A power circuit on Johnston avenue was closed for a short time but service was restored during the night.

Police said they believed headquarters had been notified of only a minor fraction of the real number of broken limbs and trees throughout the city.

There was only one automobile accident attributed directly to the storm and the police received no reports of personal injuries or damages by lightning anywhere in the area.

### Local Death Record

J. Dwight Kemble, a former resident of Kingston, died at his home in Rochester Monday. Burial will be in the family plot in Wiltwyck Cemetery Thursday following the arrival of the 11:45 a. m. West Shore train.

Funeral services for Mrs. Carrie A. Stimpson, widow of Edwin B. Stimpson, who died on June 27, were held at the parlors of A. Carr and Son, 1 Pearl street, on Monday at 11 a. m. The Rev. J. J. Van Heest, of Palenville, officiated. Burial was in Hudson.

Miss Josephine Hornbeck, 59 Green street, died early this morning. She is survived by a sister, Mrs. Sarah Young, 110 St. James street; a niece, Mrs. Joseph Umpleby and a nephew, Edward Jones, both of Kingston. Miss Hornbeck was a member of the Fleischmanns M. E. Church. The funeral will be held Friday at 2 o'clock from the Kukuk Memorial Funeral Home, 167 Tremper avenue. Burial will take place in the Fairview cemetery, Stone Ridge. Friends may call at the funeral home Thursday between the hours of 3 and 5 and 7 and 9 o'clock.

Mrs. Emma Jane Wood, widow of Oscar Wood of Stone Ridge, died Monday at Middletown. She was 80 years of age. She is survived by two daughters, Mrs. Simon Sutherland of Catskill; and Mrs. Clifford Batten, Stone Ridge; nine grandchildren, six great-grandchildren, and several nieces and nephews. The funeral will be held from the H. B. Humiston Funeral Home in Kerhonkson Thursday afternoon at 2 o'clock. Burial will be in the Fairview Cemetery, Stone Ridge. The Rev. B. C. Schmidt of Stone Ridge will officiate. Bearers will be Elmer and Burton Wood of Kerhonkson and Elmer and Claude Krom of Atwood.

**Await Red Reply**

Paris, July 2 (AP)—Britain and France today awaited a Soviet reply to a final French compromise proposal for economic cooperation under the Marshall aid-for-Europe plan, both ready to go ahead with Russia in event of rejection. In a meeting at the foreign ministry late today, Soviet Foreign Minister V. M. Molotov was scheduled to answer a proposition backed on a take-it-or-leave-it basis by both British Foreign Secretary Ernest Bevin and French Foreign Minister Bidault.

**Decker Gets 10 Days**

Oliver Decker, 61, Stone Ridge, was arrested by Deputy Sheriff Alfred Slater Tuesday on a charge of public intoxication and was taken before Justice of the Peace George Tompkins. A 10-day jail sentence was imposed.

Rotary, spoke, in part as follows: **The American Way**

In some countries, I would be liable to be "shot at sunrise" for expressing myself as freely as I intend to do about the existing trends in government. That I can speak openly and frankly, here, without fear of dire consequences, is one of the glorious things about our American form of government. I want to discourse on some of the trends that threaten our precious liberties and our benefit of living. First let us consider what this thing is that we call the American Way of Life.

There have been many definitions of the American Way, but one that I believe is especially apt was given by DeWitt Emery, president of the National Small Business Men's Association. It is furnished in simple, down-to-earth language and reads as follows:

"Our American Way of Life is made up of many things—both big and small; automobiles, big cities and small towns; farms and villages; mammoth steel mills and village shops; colossal educational institutions and the little red schoolhouse; beside the road, churches and hospitals; railroads and air lines; chewing gum and ice cream; department stores and crossroad general stores; specialty shops and beauty parlors; pool rooms and race tracks; Hollywood, Broadway and the high school play; laughter and sorrow; success and despair; and people—millions of all kinds of people—gathered together from the four corners of the earth, drawn by the magnet of Freedom, Opportunity, and Justice."

Our American Way of Life provides each individual an opportunity to go as far and climb as high as his willingness to work, his skill, ingenuity and integrity will carry him.

"Our American Way of Life recognizes that the individual has the right to work when and where he wishes, the right to worship as he pleases, to speak his mind on any subject, to meet with his fellow men for any peaceful purpose, to be secure in his possessions and to have his day in a free court. It recognizes that the individual is superior to the State, that our public officials are servants of the people, and that they derive their just powers from the consent of the people."

These things, taken together, created the atmosphere of freedom and an economic climate which made possible in the United States the greatest production of wealth in the history of the world and the establishment of a standard of living which is the envy of all other nations in the world.

In short, the American Way of Life is the greatest blessing ever bestowed on mankind any place on the face of the earth."

**Cites U. S. Steel**

Statistics in connection with the United States Steel Corporation, for example, are very revealing. From 1902 (the year it was organized) to 1909 inclusive, a period of eight years, its workers got 64.7 per cent of the net income dollar. (This is the money remaining after deducting purchases of materials and services, taxes, depreciation, and interest.) In the next decade (from 1910 to 1919) the workers' share was 70.6 per cent; from 1920 to 1929, 81.5 per cent, and from 1930 to 1939, 84.4 per cent.

The United States Steel Corporation is not an exception to the general rule; and I have used it as an illustration not only because it is a corporation which is so well known, and which has been subjected to so much criticism in recent years by the anti-business group holding forth at Washington.

So much for the past performance of the free enterprise system. The record is there for all to read. Its strength and its weaknesses are an open book. But, despite its splendid over-all performance, there are some who would have us discard it, to take on some other system.

As you will have gathered from my remarks so far, I am thoroughly sold on the free enterprise system. Also, I hope you will grant that I am not fanatical about it—that I recognize its faults as well as its virtues. I can correct those faults; and I want this nation to retain it so that it can continue its beneficence on behalf of all the American people. I can see looming on the horizon no system that can come anywhere near taking its place. Having considered the various economies that are being suggested to take the place of free enterprise, I find them woefully lacking. Most of them already have been tried and found to be absolutely inadequate. Others, as yet untried, are so impractical as not to merit consideration.

**Economic System**

The economic system which evolved from the merging of these two streams, we have come to call the "free enterprise system." As in the case of the American Way, there have been many definitions of free enterprise, but I think it can be summed up briefly as an economic system which gives to citizens who live under it, freedom to work, to keep part of what they produce, to save or to risk their savings or profits.

In my opinion, the pre-eminent position which the United States occupies today is largely due to its operating under this system of free enterprise. In making that statement, I am not overlooking the fact that God Almighty endowed this country with bounteous natural resources. But it took free enterprise to develop and harness those natural resources. Men operating under free enterprise cleared the forests, built the railroads, took the ore out of the ground, tilled the soil, and did the thousand and one other things which brought this nation to its place in the sun among the nations of the world.

Men operating under free enterprise developed the inventive genius which has given us the

## State Rents Offices For Soldier Bonus Pay

Albany, N. Y., July 2 (AP)—Looking toward payment of the proposed \$400,000,000 soldier bonus, the state rented Albany office space today and announced the bonus staff would move in October 1, a month before the people vote on the proposal.

Bonus payments to the state's 1,600,000 World War 2 veterans will begin sometime after next January 1, if the voters approve the proposal in November.

many necessities, semi-luxuries and luxuries which we enjoy today—things which are the envy of the entire world. To mention just a few, there are the telephone, the automobile, electricity, with all of its resulting gadgets that have made our lives more comfortable and pleasant; radio, mechanical refrigeration and a host of other things.

These things which in most other lands are the prized possessions of only the very rich, are owned and enjoyed by a large majority of the American people, in respect of their station in life. It is my sincere conviction that this broader distribution in America, of the things which contribute so much to our creature comfort and enjoyment of life, are due entirely to the free enterprise system.

**System Not Perfect**

Now, it might be well for me to state at this juncture that I do not consider our free enterprise system perfect. On the contrary, it has many flaws. It has not and does not always operate on "all six." Great inequities have developed under it—it has bogged down badly at times.

At the same time, I submit that over the years we have been greatly improving and refining the free enterprise system. As its flaws became glaringly apparent, steps have been taken to correct them. Still far from perfection, nevertheless with each passing decade the free enterprise system has made for a more equitable distribution of its products among all classes of the American people. Despite its imperfections, it is the best economic system yet devised and above all, the system which best serves the needs of our freedom-loving people.

Government statistics show the workers' share in what they produce has increased with each passing year until during the period from 1929 to 1939, inclusive, out of every dollar net income for division between stockholders and workers in industry, labor took 83 cents, while capital and management took the remaining 17 cents, part of which went to management for salaries; another part to stockholders for dividends; and the balance into reserve for expansion and to meet future contingencies. Unfortunately, complete figures are not available for the past few years; but the figures of many individual corporations which are available indicate that labor's share is still moving upward.

What has caused this drastic change of mind regarding basic American principles? How have so many of a formerly self-reliant people come to the point where they are ready to trade their freedom for something that is a delusion of security? Why is there such a clamor to install government as master of the people rather than have it continue to be the servant of the people as was intended by the Constitution and the Bill of Rights?

Let us look for a possible answer. You will recall that early in my remarks I stated that "two streams of thought united to produce the American Republic" and, later on, that "their confluence created a social and political experiment unique in the world's history." Those two streams were the material and the spiritual. For over a century and a half they flowed together and, thus flowing,

## 150 Students Are Learning to Swim Under Red Cross

The Ulster County Chapter of the American Red Cross announced today that 150 Kingston school children are taking advantage of free swimming lesson this summer at Spring Lake in a program sponsored by the local chapter.

The need of water safety education is of paramount concern to the Red Cross and Joseph Heidcamp, Red Cross life saving and water safety instructor stressed the fact that all children should be taught the art of swimming and their parents should insist upon their learning, under the proper supervision, of course.

Mr. Heidcamp advocates swimming as an ideal body builder. "Apart from the necessity of knowing how to swim," he says, "aquatics is the perfect equalizer when it comes to building firm, healthy bodies. It is the only sport that brings into use all the muscles in the body."

The Red Cross urges parents to insure their children's safety in the water by urging them to enroll in a swimming course. Graduate courses from beginner to swimmer and junior to senior life saver courses are available without charge through the local Red Cross chapter. Registration is open at Spring Lake Monday through Friday at 9 a. m.

The normally large military police force at Calapan had left the capital before the outbreak to conduct an operation against a number of Japanese stragglers who have terrorized villages on nearby Lubang Island.

## Korea Plan Dims

Washington, July 2 (AP)—With Europe at odds over the Marshall Plan, at Paris, an American proposal to bolster Korea on the opposite side of the globe appears headed today for a pigeon hole.

## No Further Steps

Geneva, July 2 (AP)—U. S. Undersecretary of State William L. Clayton said today that "so far as I know the United States is taking no steps" if the three-power conference in Paris breaks up without agreement of the Marshall aid-for-Europe plan.

## State Bank Call

Albany, N. Y., July 2 (AP)—The state superintendent of banks issued a call today for reports from state banks, trust companies, industrial banks and private bankers as of the close of business June 30.

## Had Longer Range

The Walrus is now confined to the Arctic regions, but bones have been unearthed showing that its range once extended as far south as the state of Virginia.

## Stingless

South American honey bees cannot sting. They drive off an intruder by swarming into his eyes, nose, ears, and hair, and crawling under his clothing.

In harmony, produced this great nation.

But in recent years there has been a severe let-down in the spiritual life of America. The Church, the most important of the four houses set up by pioneering colonies, no longer occupies its former prominent position.

The waters of the spiritual stream still offer the same strength, plenty and solace, but all too many Americans have turned away from the one true God to worship the material gods.

Touring through Holland's famous system of canals, screen actress Paulette Goddard found a remedy from the heat—it gets hot in Holland, too—by sampling some Dutch beer.

## Blanshan Proposes Ringlings Come Here

The Ringling Brothers, Barnum and Bailey Circus, which has avoided Kingston for the past 28 years because of an inadequate show lot, may play here next season, through the efforts of Everett Blanshan, local "big top" enthusiast for the past 50 years.

Prior to making a trip to Albany, where the circus played Monday, Mr. Blanshan met with Milton Walker, owner of the former Kingston Airport, who gave assurance his 20-acre tract could be used for the circus next summer.

Mr. Blanshan reported that James A. Haley, president of the circus, seemed interested in playing Kingston, which would break up its long haul from Easton, Pa., to Albany.

## F. L. Brown Appointed

Albany, N. Y., July 2 (AP)—Francis L. Brown, 37, of Fort Edward, Washington county highway superintendent, today was appointed superintendent. He succeeds Claude A. Bonaparte, recently named deputy superintendent of public works.

## Would Keep Women

Washington, July 2 (AP)—Gen. Dwight D. Eisenhower and Fleet Admiral Chester W. Nimitz urged Congress today to authorize permanently the services of women in the regular and reserve army and navy.

**Vincent S. Sickles,  
Weds Clara Mae Bell  
In Ponckhockie Church**

The marriage of Miss Clara Mae  
Bell, daughter of Mr. and Mrs.  
Ira C. Bell, 38 Ponckhockie street,  
to Vincent Stanley Sickles, son of  
Mrs. Lillian Sickles Halstead, 27  
Boulder avenue, was performed  
Sunday afternoon at 2 p. m. in Ponckhockie  
Congregational Church. The Rev.  
Osterhout, Phillips, D. D., officiated  
at the double ring cere-  
mony.  
Mrs. B. R. Tuttle was organist  
and Clay Sickles sang, "I Love  
You Truly," and "At Dawning."  
The church was decorated with  
palm and assorted summer flow-  
ers. Canopy light was used.  
Mr. Bell gave his daughter, in  
marriage, she wore a white satin  
gown en train with rouse neck-  
line of swiss lace. Her net veil  
was caught to a double crown of  
orange blossoms. She carried  
white roses and swansoni.  
Miss Carolyn Bell was maid  
of honor for her sister. She wore  
an aqua gown with crown and  
aqua veil edged in Chinese trim-  
ming. She carried forget-me-nots,  
tea roses and baby's breath.  
Webster Sickles was his brother-  
in-law. Ushers were Cur-  
tis Rand of Winthrop, Mass., and  
Tony Scadiff, Waltham, Mass.  
A reception was held at the  
home of the bride's parents, for  
75 guests. Afterward Mr. and Mrs.  
Sickles left for a wedding trip to  
Canada, Thousand Islands and  
Ningant Falls. She wore a blue  
suit with white accessories and  
corsage of white roses. They will  
make their home at 134 1/2 Lander-

munity Band, which have proven  
popular during the past few  
years will be resumed for the  
summer months starting Sunday  
at 8 p. m. at the Academy Green,  
Albany avenue. The concerts will  
alternate on Sunday nights be-  
tween the Academy Green and  
Hastbrook Park. In case of rain  
the programs will be given in the  
municipal auditorium.  
Sol Castiglione will direct the  
band again this year. Thirty musi-  
cians make up the personnel of  
the unit and guest soloists will be  
heard from time to time during  
the summer.  
The program for Sunday night  
will be as follows: Star Spangled  
Banner; Glory of the Trumpets,  
Brookshire; The American  
March, Sousa; Echoes from the  
South, Kiefer.  
Sempre Fidelis, Sousa; Raymond  
Overture, Thomas; Passacena Day,  
Vessella; Victor Herbert selec-  
tions; and The Stars and Stripes  
Forever, Sousa.

**25th Wedding Anniversary**

**MR. AND MRS. EDWARD J. PERRY**  
Mr. and Mrs. Edward J. Perry of 14 First avenue, celebrated their  
silver wedding anniversary Sunday afternoon at Tommy DeCicca's  
Tavern, 11 High street. About 60 relatives and friends attended the  
reception. A large wedding cake trimmed with silver was the table  
center piece. Music for dancing was furnished by Wendell Scherer's  
Orchestra. Mr. and Mrs. Perry received many gifts of silverware in-  
cluding silver dollars.  
Mr. and Mrs. Perry were married in St. Peter's Church by the  
Rev. John P. Neuman. Mrs. Perry is the former Miss Minnie  
Scherer of Canaan. Mr. Perry is employed at The Freeman as a  
linotype operator. (Ken Rocca Photo)

**Twaalfskill Club  
Dance Thursday**

The Women's Auxiliary made  
final arrangements Tuesday for  
the dance at Twaalfskill Golf  
Club to be held Thursday night at  
the club. A cold buffet supper will  
be served. Mrs. John Van Gonsie  
and Mrs. Joseph Welshaupt are  
in charge of arrangements for the  
dance.

Members of the auxiliary were  
asked to donate red, white and  
blue flowers for the decorations.  
The committee also asked for  
members to assist in decorating  
the dance hall.  
About 30 members attended the  
Ladies' Day Tuesday with several  
playing golf in the morning and  
after lunch. Others enjoyed the  
cool breezes on the club house  
porch. Hostesses for the day were  
Miss Margaret Faivey and Mrs.  
E. J. Dutto. Mrs. Edward Rem-  
bert, president, presided at the  
short business meeting.  
Next week Mrs. A. H. Cham-

## Constance Wardle of Catskill

Will Teach in Albany School  
The Albany Conservatory of Musical Art announces that Miss Constance Wardle, a native of Catskill, will teach singing during the summer months at its studios at 42 Dove street.

Miss Wardle is an experienced voice teacher, having taught for 18 years in colleges accredited by the National Association of Schools of Music. Her most recent position has been assistant professor at Hollins College, near Roanoke, Va., where she has given individual instruction in singing, taught a class in diction to all beginners, and one in song literature for all voice majors. Students graduating from Hollins College have gone on to New York for coaching in operatic roles and concert repertoire.

As a background for the teaching experience, Miss Wardle has a number of years of study in Italy and New York city; several years of professional singing which includes a Town Hall recital. Miss Wardle has received a B.S. in Music Education from Teachers College, Columbia University and an M.A. from New York University.

## NOT NECESSARILY IMPROPER

An elderly woman asks: "Is a woman supposed to rise to meet a clergyman no matter what his age or hers? I am 15 years older, perhaps more than the clergyman I have in mind and did not rise when I met him. However, my sister thinks I was wrong because she insists that one is supposed to show respect for all clergymen."

Though not rising might show no lack of respect for a clergyman so much younger than yourself, it is always best to err on the side of deference and courtesy. In your own house, of course, you would rise to greet everyone.

## Checking Lady's Wrap in Restaurant

Dear Mrs. Post: Will you please tell me if it is proper for a lady to check her coat at a night club? I know that men do and on the few occasions I have been at a night club, I also have noticed that most women put their coats back over the chair. I think it would be more comfortable without having to sit on a coat and also less hard on the coat.

Answer: You may check it, of course, if you can. But if there is no place prepared to check your coat and no attendant in the "powder room," you will have to keep it with you.

Wedding Cake for Widow  
Dear Mrs. Post: Why can't a bride have a cake at her second wedding? For several months a local magazine has been stressing no cake, no veil and no white flowers for a second wedding. The veil and the orange blossoms I can understand, but not the cake nor the prohibition of white flowers of every variety.

Answer: The local magazine notwithstanding, a widow bride certainly may have a wedding cake and all the white flowers she wants so long as these are not orange blossoms. She even may wear a veil if it is in a definite color to match her dress.

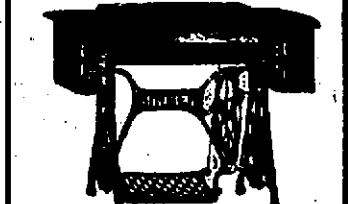

Mrs. Post has prepared a leaflet with a variety of party menus entitled, "Conventional Party

Menus," which includes a sit-down wedding breakfast or dinner. To obtain a copy, send 5 cents in coin and a stamped self-addressed envelope to her, care of The Kingston Daily Freeman, Post Office Box 99, Station G, New York 19, N. Y. Mrs. Post is sorry she cannot answer personal mail. (Released by The Bell Syndicate, Inc.)

# Dodgers on Road Tonight; Twin-Bill Slated Here Thursday

## Tuesday's Arclight Contest Washed Out in 5th Inning

The wag who remarked that the Dodgers would have done better to invest in a rice plantation instead of a ball club at municipal stadium wasn't far off the beam last night.

The first electrical storm of the season turned the field into a quagmire about 7:45 p. m. and halted the scoreless deadlock between the Dodgers and Stroudsburg Poconos with two out in the Poconos' half of the fifth.

Fans ducked for shelter and raced for their cars like half-drowned rats, while the rain pelted the infield and running track into a miniature lake within five minutes. They don't need a roof at the stadium, not much.

In the curtailed North Atlantic League schedule, last night Nazareth belted out an 8 to 1 victory over Bloomingdale. The second game was rained out. In the only other action Mahanoy City tripped Nyack by 6 to 1. At Curtisburg a four-hitter for Mahanoy City, Stroudsburg, unable to get in a complete game here last night, moved into sixth place while Nyack slipped to seventh.

### Neighbors on Hill

Hank Neighbors, manager, pro tem, was in quest of his ninth victory in ten starts and appeared to have the situation well in hand when Jupe Pluvius horned in for the steenth time. Business Manager Paul Taylor admitted that the North Atlantic League schedule is so jammed up that it will be a physical impossibility for the clubs to complete their 140-game schedules.

Bill Wood, Poconos hurler, had permitted two hits, a scratch single by Bobby Newhart in the

first and Corrigan's one-baser to center in the third. The Dodgers did not develop a scoring threat in four turns at bat.

Catcher O'Lari, who collected the two hits off Neighbors, singled to center to open the fifth as the clubs were racing furiously against time in an epic setting that would have done justice to a Dashiell Hammett mystery tale. He was advanced on a sacrifice bunt or Orlean smothered Kopsic's sharp line drive to center for the second out—and then the rains came.

The Dodgers hit the road tonight for a single engagement in Bloomingdale, N. Y., and then return to municipal stadium for a double header Thursday evening. A single game, at 2 p. m., is slated for July 4, with Bloomingdale. The clubs play a night game in Bloomingdale.

Night Games on Sunday Baseball fans no longer will have to suffer through the broiling sun at Sunday ball games, the Dodger front office announced yesterday. Hereafter, all Sunday doubleheaders will be played as twilight-night engagements.

The standing to date:

| North Atlantic League |    |    |      |  |
|-----------------------|----|----|------|--|
|                       | W  | L  | Pct. |  |

## Feller to Undergo X-Rays Today; May Miss All Star Game

Cleveland, July 2 (AP)—Rapid Robert Feller, Cleveland Indians' fireball ace, was scheduled to undergo X-ray examinations by local physicians today to determine whether he will be able to perform in baseball's All-Star game at Chicago's next Tuesday.

Feller's participation in the diamond classic became doubtful last night when the fireballer was forced to withdraw during the second inning of the Tribe's 9-3 victory over the St. Louis Browns at the Mound City because of severe back pains.

Tribe Manager Lou Boudreau asserted he believed Feller would not be ready for pitching duty until July 10—two days after the Chicago All-Star tilt.

The Major League's strikeout king said he first felt a sharp pain in the right side of his back last night while warming up for the game with St. Louis, but decided to start the contest.

After yielding a double to St. Louis leadoff man Bob Dillinger, the speedy Feller pitched the fireball delivery struck out three Browns in succession. He asked to be relieved in the second after two straight hits and a long fly.

Experienced Pain "I had good stuff in the first inning tonight, but felt knife-like pains," Feller declared in the dressing room after the game.

Bob said he believed he had suffered an injury to his back in a losing contest with the Boston Red Sox at Beantown June 21.

The fireballer said he thought a strain on his side developed after he fell off the Shibe Park mound at Philadelphia and injured his left knee. In a brilliant start, Feller had fanned nine batters in the first four innings when the accident occurred.

In subsequent mound duties, Feller said he probably "favored" his injured knee.

## Yesterday's Stars

(By The Associated Press)

PITCHING—Alton Benton, Tigers—Limited the White Sox to three hits in pitching the Tigers to a 2-1 victory for his fifth triumph of the season.

BATTING—Billy Rigney, Giants—With his father and sister coming all the way from Oakland, Calif., to see him perform, the bespectacled second baseman rapped out four hits in five turns at bat as the Giants shellacked the Braves 15-3.

Jersey City—Mickey Garcia, 1314, New York, outpointed Tommy Baker, 1274, Clifside Park, 8.

Los Angeles—Jimmy Bivins, 181, Cleveland, outpointed Bobby Zander, 1774, Los Angeles, 10.

## Tuning Up for Bouts Here

Paul Simpson, junior Golden Gloves heavyweight champion, does a bit of boxing in Hydrant "Monk" Armstrong's garden, under the watchful eye of the local trainer, left, and Joey Speed, lightweight Golden Glover, who also contemplates doing some twinning hereabouts. Simpson and Speed intend to spend two months in Kingston away from the busy city of Cleveland, where they won their ring laurels under the direction of Johnny Wood, once a stablemate of Kid Chocolate. Boxing on Pina Bitch cards at the municipal auditorium, Simpson scored three knockouts: Chick Cammot, 36 seconds; of the fourth round last July 25; Jimmy Carr, sensational Albany heavyweight, second round, March 6; and Howard "Sugar" Kane, Boston, New England champion, 1:54 of the second round last April 17. One of the hardest hitters in the amateur ranks, Paul finds competition very scarce.

JOY IN COOGAN'S BLUFF... The New York Giants find themselves luxuriating in the happy predicament of having two pitching "phenoms" on their hands. One, of course, is the established Hondo Hurricane, Clint Hartung. The other represents a royal rookie plum, "Bullit Bob" Hansen, of Harbman, N. Y., off referred to as the "Harriman Hurricane." With these two feallers operating at the Polo Grounds in a couple of years, Horace "The Hoople" Stoneham should be a drafty place, indeed.

With a resourcefulness not usually associated with the Giant front office, Stoneham's emissaries signed young Hansen this week for an undisclosed cash bonus. Giant officials declined to reveal the exact amount but you can bet it was better than 25 Gs. Thirteen major league clubs were interested in Hansen. He will be assigned to a Giant farm club this week.

Just to refresh your memory, the 17-year-old Hansen won 16 straight games for Central Valley High School in two years. Over the stretch he authored seven no-hit games. He received tremendous national publicity as the result of Wesley "Bo" Gil's great interest in him and is regarded as West's best schoolboy flinger to develop since Bob Feller's days at Van Meter, Iowa.

THE NINETEENTH HOLE: Hank Kowal, of Indiana, former midwestern intercollegiate champion, has dethroned Ray Billows, Poughkeepsie's famous amateur golfer, as the Hudson River Golf Association champion. Kowal, the lanky, smooth-swinging, six-gun, defeated Billows in the all-Dutchess finals, 2 and 1 in Middletown. . . . Big Hank, who is connected with the Nelson House in Poughkeepsie, was a standout in Tommy Danaher's pro-amateur event here last summer. . . . ## Howard Hits 630 As Jacks Triumph

Dick Howard, the bespectacled trundler who has been burning up the Central Recreation alleys as though he owns them, uncorked another big single and triple score last night in the Tuesday Night League when he hammered out a 257 singleton and 630 series.

Howard's brilliant bowling aided Jacks to win a pair of games from the Unknowns. Dick also poured out games of 184 and 189 to complete his big series.

Marty Kelenberger, also of Jacks, helped the cause with a 219 single and 568 series. Ed Norton and Fred Ferraro were high for the losers with 341 and 524 respectively. In the other match the Free-

## Giant Powerhouse Explodes Five Homers In 15 to 3 Rout; Mize Cracks No. 21

(By The Associated Press)

You simply had to see it to believe it. It was a case of mayhem on the diamond. New York fans, even those with long memories, will tell you that there never was another National League team that packed the punch these Giants of 1947 do.

And if you happened to be a spectator at last night's teeing off party at the Polo Grounds against the Boston Braves, you would be inclined to agree with them. Training their siege guns at four Boston pitchers, the relentless Giants blasted away for 16 hits including five home runs, a triple and a double to vanquish the Braves 15-3.

Big Three Produces Bobby Thomson slammed a home run. Buddy Kerr hit one. And of course, the towering trio of Johnny Mize, Willard Marshall and Walker Cooper hit one apiece. Thomson also connected for a three-bagger.

Along about the fourth inning with the Giants in front 12-3, it began to rain. The Giants obligingly went out in order in the fourth and fifth innings in their haste to beat the downpour, but once the game became official, they resumed their furious attack, collecting a couple of more needless runs in the sixth.

It was in that inning that Mize, the majors' home run leader, slammed his 21st circuit clout, a terrific wallop high and far over the right field roof. The only come down in earnest and a wag suggested that Mize's blow must have hit a cloud and burst it.

## Jansen Is Winner

The teams got in one more inning, but finally the umpires called a halt saving the two nines as well as the 36,323 throngs delighted fans a drizzling. It came too late, however, to save the Braves the worst drubbing they have suffered this season. The only solace for Boston was Tommy Holmes' two homers and a triple off winning pitcher Larry Jansen.

Despite the victory, the Giants remained in third place, but they cut the Braves first place margin to a mere half game. Boston retained its first place hold over the Brooklyn Dodgers by two percentage points. The Braves lost an opportunity to take over the league lead when they blew a 5-3 game to the Phils in Philadelphia earlier in the day.

In the only other National League game, the steadily rising St. Louis Cardinals moved within three and a half games of the top by winning a close 2-1 game from the Pirates at night in Pittsburgh. The Cards increased their fourth place lead over the idle Chicago Cubs to a full game.

Detroit took over third place in the American League by nipping the White Sox in Chicago, 2-1. The Tigers now are a half game in front of Philadelphia and Cleveland who are tied for fourth. The Indians moved in on the A's when they defeated the Browns in a night game at St. Louis 9-3.

## Injury Stops Feller

The Indians' victory over the Browns was bedclouded by an injury to their great pitching star, Bobby Feller. The fireball ace was forced to withdraw in the second inning with severe back pains. After leaving the game in which he fanned three in one, and one-third innings, Feller said he felt aches in the right side of his back while warming up, but decided to start.

Feller expressed belief that a strain was caused by favoring his left knee, which was injured in a fall off the mound in Philadelphia, June 13.

## Boulevard to Play Knights Tonight At Athletic Field

Tuesday night's downpour washed out the scheduled 7-Up vs. Frank's Sport Shop City League contest at the Athletic Field but loop officials are all set for tonight's game which will feature the Boulevard Gulf and Knights of Columbus nines. Game time is set for 6:15 o'clock.

Boulevard Gulf, with big Al Gruner slated to toe the slab, will be out after its second victory in three starts. The club has played 300 ball thus far with one win and a loss. The Knights, meanwhile, are expected to send young Doyle to the hill in hopes of racking up victory number three. The Knights thus far have copied two decisions as against four reverses.

## Final Game Thursday

The League's curtailed City League schedule winds up with the West Shore vs. Stauble's Bakery clash Thursday night at the Smith avenue ball park. No league game will be played Friday, July 4. The schedule will be resumed next Monday night when Stauble's engage Frank's Sport Shop.

Following are the tentative line-ups for tonight's game:

## Ennis Is Stopped; More Concerned About Licking Jim

Philadelphia, July 2 (AP)—Tel Ennis, Major League baseball's 1946 "rookie of the year," today is more concerned with licking the "sophomore jinx" than consecutive game hitting streaks.

Ennis, hard-hitting outfielder for the National League's Philadelphia Phillies, went hitless yesterday against the Brooklyn Dodgers—stopping his streak at 19 games, longest of the season for any player in the big leagues.

"It's nice to get a hit every day," Ennis told a reporter, "but I'll settle for a couple every few days. That'll keep the second year next away."

If a player has a good season as a rookie he'll be a flop the second year, baseballers say. The 22-year-old Ennis played with Trenton in the Class B Interstate League for a season before enlisting in the Navy. After three years' service he came back and was placed on the Phillies' bench.

ticketed for Utica (N. Y.) of the Eastern League.

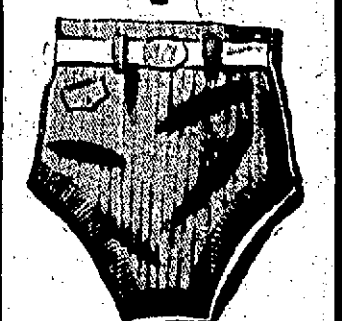

But the G.I. Bill of Rights requires that returned servicemen ball players cannot be sent to the minors without first being offered to other big league teams through the waiver lists.

The Phils did put Ennis on the waiver list—and when five clubs indicated they would like the likeable lad who hit .348 and hammered out 19 homers for Trenton, the Blue Jays decided to keep him. Manager Ben Chapman tossed Ennis a glove and said "kid you're my left fielder."

## Costello, Schatzel Top Classic League; MacLellan Stars

Jim Costello and Johnny "Red" Schatzel divided the spotlight in the Summer Classic League Monday night with a high 650 triple and high 240 single respectively. Costello highlighted his tremendous series with a 234 perfect game while Schatzel, who had a perfect game with his 240, wound up with a 634 triple.

John MacLellan rubbed elbows with the number one and two leggers of the night as he peppered the midtown maples for a sizzling 637 triple on three perfect games of 215-206-216. Other 600 marks were turned in by Joe Costello who hit 213-806 and Hod Spaulding who posted 238-601.

Results of the matches found the C. & C. Market winning three from Jones Dairy while WKNY

won two from Mt. Marion Inn; the Hotel Oisters took a pair from Village Rest and the Hofbrau copped two out of three from Cuncos.

Powered by Costello's 650, the C. & C. trundlers also walked off with both the team high single of 1089 plus handicap and high team triple of 3105. The winners won the final game in a rolloff. Both C. & C. and the dairymen battled to a 1005 tie game.

Other notable scores compiled in the matches at the Central Recreation alleys included Larry Peterson Jr. with 208-595, Dick Howard 200-580, Charlie Grunewald 203-577, J. Fay 222-574, Phil Corrado 238-572, Freddie Rice 202-565, Phil Masters 200-562, F. Cashara 204-559, Ad Jones 222-556, C. Davis 211-551, Tony LaRocca 232-532, Charlie Horne 202-532, Johnny Ferraro 201-529, Larry Weisaupt 210-528, and "Pope" Myers 215-527.

Albany, N. Y., Willie Peck, 130, Hartford, knocked out Joey Fontana, 134½, New York, 5, (Non-title).

## Serve Vegetables in New, Different Ways

BY GAYNOR MADDOX  
NEA Staff Writer

Fresh corn—always wonderful. Garden tomatoes—a red thrill for everyone. But try serving them in new ways just for the eating fun of it.

Here are two suggestions from Stella Standard in her "Mom Than Cooking."

**Baked Stuffed Green Peppers With Corn**

Peppers, fresh corn, butter, fried onion, salt, pepper.  
Select the required number of green peppers of uniform size. Carefully cut the tops off and scoop out the seeds and centers. Let the ears of corn boil up. Drain them. Score the kernels with knife and cut them from the ears. Season with melted butter, fried onion and salt and pepper. Fill the centers with the mixture and put the peppers in the baking pan with a little water in the bottom to keep them from burning. Bake until the peppers are tender, about 25 minutes in a medium oven.

**Fried Tomatoes**  
Tomatoes, salt, pepper, chervil, rosemary, thyme, fennel or tarragon, flour, butter or fat, 1 or 2 tablespoons water, 1/3 cup cream, chives or parsley.

Cut a very thin slice from the top and bottom of unpeeled tomatoes. Then cut tomatoes in half, and sprinkle both cut sides with salt, pepper, and your favorite herb, any one of those mentioned. Dip in flour and brown both sides in hot butter or fat. Add the water to the pan, cover and steam until the tomatoes are just done through. Lift to a hot platter. Add the cream to the pan, boil up, and pour over the tomatoes. Sprinkle with chopped chives or parsley.

**Tomorrow's Menu**  
BREAKFAST: Stewed blackberries, ready-to-eat cereal, toast, corn muffins, butter or fortified margarine, jam, coffee, milk.  
LUNCHEON: Cream of spinach soup, Melba toast, tomatoes, stuffed with cottage cheese and chives, rolls, butter or fortified margarine, gingerbread, iced tea, milk.  
DINNER: Potatoes, broiled steak, mashed potatoes, baked stuffed green peppers with corn, radishes and scallions, fresh berry shortcake, coffee, milk.

## Federal Refunds To Taxpayers Hit A Record Figure

Washington, July 2 (AP)—Federal tax refunds for the year just ended hit a record high of more than \$3,030,000,000.

That sum is more than half as much money as the government ever collected in any year before the 1940 defense program got into high gear. Collections last year, however, were in the neighborhood of \$42,500,000,000.

Refunds to individual income tax payers scored records both in number and amount, with over 30,860,000 persons sharing a total of \$1,487,000,000.

Thus about three out of every four taxpayers got back a check averaging slightly over \$48.

One big reason for the heavy refunds to individuals was the large amount of job-shifting partly connected with reconversion, and the re-entry of former soldiers into the civilian working force.

The amount of taxes withheld from workers' paychecks is figured on the basis of year-long employment. Thus many who work only part of a year are overcharged and qualify for refunds.

Corporate refunds growing out of the income and excess profits tax laws—the latter repealed but still exerting a lagged effect—also ran above the billion dollar mark. Officials said reconversion and strike shutdowns were a factor.

## Sailor Admits Strangling Woman, 50, to Death

Philadelphia, July 2 (AP)—A 22-year-old ex-sailor admitted in a signed statement he strangled a 50-year-old woman, kept her body in a closet of his room for several days, and then abandoned it in a sawdust-filled barrel, Captain James A. Kelly of the Homicide Squad reported.

Arrested on an anonymous tip and charged with homicide, William A. Wagner last night confessed the slaying of Margaret C. Dougherty, Kelly said.

In his statement, Kelly said, Wagner told how he beat and strangled the unmarried bookkeeper after a violent argument in a third-floor room of a boarding house.

Wagner said in his confession he "thought" the slaying took place about May 1—a month before discovery of the body—and that he kept the body in a closet for several days until neighbors began complaining of the odor. Kelly said Wagner hired two men to help haul the barrel in a child's express wagon 26 city blocks to the ravine in which it was dumped.

### Try for Shipyard Peace

New York, July 2 (AP)—The U. S. conciliation service renewed its efforts today to restore peace in the embattled shipyard industry amid indications that the spreading strike now involving a union-estimated 120,000 C.I.O. workers, might encompass yards on the west coast. Moving into the strike picture, the government called together representatives of the Bethlehem Steel Co. and the Industrial Union of Marine and Shipbuilding Workers for new talks to find a formula for ending the seven-day old walkout. Colwell declined to say whether any wage boost offer had been made by Bethlehem. The union has asked a 13-cent hourly wage increase and other benefits. Skilled shipyard workers receive \$1.38 an hour and laborers 94 cents under present contracts.

### Cotton Leads Open

Hoylake, England, July 2 (AP)—Henry Cotton, Britain's master of golf, took the lead in the British Open Tournament today with a 69 which equaled the record for the revised Hoylake course. His score was six strokes better than that of Vic Ghezzi, the big American pro from Kansas City, who turned in a middling 75.

Don't Guess When There's Safe Play

By WILLIAM E. MCKENNEY  
America's Card Authority  
Written for NEA Service

This is the third of a series of simple plays which too many people miss. Some players lost the contract on today's hand through carelessness; some through greed.

North's bid over one spade is open to discussion. I do not consider his hand strong enough to bid three spades. I would prefer four spades rather than three, or maybe two diamonds. In the latter case South would have bid two spades and North then could have bid four spades. However, it is the play in which we are more interested.

Declarer lost the first two club tricks quickly, but he ruffed the third club. Now he thought that his whole problem was to guess

the diamond finesse correctly. But why resort to a guess when there is a safe way to play it? He should cash the ace of hearts and ruff a heart in dummy.

If he takes the spade finesse now, West will win, lead back either the king of hearts or a spade, and declarer still will have to guess the diamond.

After ruffing the heart in dummy, declarer should lead a spade and go right up with the ace. Next he should ruff his third heart in dummy, and then lead a spade. It is immaterial now who wins it. In this case West will have to win, and if he leads back a heart or a club, declarer can ruff in dummy and discard a diamond from his own hand. If West leads a diamond, declarer has a free finesse.

**Paramount Issue**  
New York, July 2 (AP)—The paramount political issue of the present age is that of a "free society" versus the "police state," says the commission on a just and durable peace, headed by John Foster Dulles, republic foreign affairs adviser to Secretary of State Marshall. The commission also said yesterday in a statement—approved and adopted by the executive committee of the Federal Council of Churches of Christ in America—that the most difficult international problem is "to establish working relations with the Soviet Union."

**Naccarato Girl Hurt**  
Barbara Naccarato, 4-year-old daughter of Mr. and Mrs. John J. Naccarato, of 175 Hasbrouck avenue, suffered a cut on her chin, when she slipped in the wading pool at Hasbrouck Park Tuesday afternoon according to the police. The little girl was taken to the Kingston Hospital and then returned home after treatment.

city. The list of streets it is proposed to reconstruct are badly in need of reconstruction. I note that it is proposed to reconstruct Broadway from Foxhall avenue to Newkirk avenue, and also from Rogers street to Ferry street. In other words, there will be an unimproved gap from Newkirk avenue to Rogers street. It seems to me that all of Broadway should be properly improved, although I know that the determination of what streets are to be improved is under the jurisdiction of the Board of Public Works and not the Common Council.

It goes without saying that no moneys appropriated under this bond issue should be used for current maintenance of streets. The 1947 budget contains only \$24,450 for street maintenance, and it seems to me that it would be a sound investment to spend more on maintenance.

In light of the above and based upon the above conditions, in view of the necessity for street reconstruction I recommend that the proposed bond issue be approved. We must recognize, however, that we are unduly expanding our bonded indebtedness for street construction.

VICTOR H. ROTH,  
Minority member of  
Committee on Finance,  
Ways and Means.

## May Have Been Broke

Los Angeles, July 2 (UP)—An intricate pattern of evidence they said indicated Benjamin (Bugsy) Siegel was slain June 20 because he was broke and unable to pay debts which may aggregate \$1,500,000 was woven today by authorities who admittedly are still far off the scent as to who rubbed out the dapper racketeer. Latest developments came with an official announcement that the erstwhile public enemy had issued two checks, totaling \$150,000, and that both had bounced.

## Two Escapees Found

Two 12-year-old boys who had escaped from Children's Village at Dobbs Ferry on June 29 were found by state troopers from Lake Katrine yesterday at Evesport, town of Saugerties. The two were David Terry of Buffalo and William Rogers of Peekskill. They told the troopers they were headed for Buffalo. Officials from the Village later returned the boys to Dobbs Ferry.

explained in a letter that a refund of \$53.28 had been authorized since the property was acquired by the church, but that the extra refund was for a year omitted.

A petition bearing more than 40 names submitted by Helen Roberts of Catskill, through Attorney Chris J. Flanagan, for an amendment to the Zoning Ordinance, was referred to the Laws and Rules Committee. I asks that a property at 333-337 East Chester street, near Lincoln street, be designated as in the business zone.

Attorney Flanagan explained in a letter to the city clerk that the property is to be used as a loading terminal.

## Take Up Trunker Claim

The history of a claim originally set at \$3,000 against the city and filed by Sarah E. Trunker, 244 Albany avenue, was presented to the councilmen in a letter from Corporation Counsel Arthur B. Ewig.

Recent discussion of the claim which was brought to trial and scheduled in May, the letter explained, led to the conclusion that a settlement "not exceeding \$200 might be advisable." This was based on details and a photo submitted by the plaintiff, the letter said.

The claim, the corporation counsel explained, was filed November 8, 1943, when Joseph F. Forman was corporation counsel. It was not paid at the time and a lawsuit was instituted. The claimant said she was injured on October 11, 1943, when she fell at a catch basin at John street and Clinton avenue. The top of the basin was several inches below the street and was covered with leaves, the claimant said.

Ewig reported that he had once asked that the case be settled for \$1,000 and was refused. The recent terms of proposed settlement were left with the Auditing Committee.

Another claim of \$1,000 against the city for injuries to his wife was filed by Richard F. Holbrook, 132 Prospect street. It was referred to the Auditing Committee and the corporation counsel.

The claimant, who said he is represented by Attorney Lloyd R. LeFevre, asks for the amount on the claim that his wife, Nellie L. Holbrook, on May 6, this year, was "thrown to the ground by a hole, rut or depression" in front of 726 Broadway, and that she

fractured a wrist, suffered body injuries and became ill.

A claim of Andrew Griffin, 89 German street for \$5.25 was disallowed. It was filed at an earlier meeting for damages, which the claimant said, were caused to his motorcycle when it struck a rut or hole on Tietjen avenue.

The Kingston Power Boat Association, which said it contemplates further improvements on the Wilbur property it now occupies, requested a renewal of its lease from the city. The request was referred to the Laws and Rules Committee.

## Called Asset to City

The association explained that it had built a marina for the storage of pleasure boats and that its developments and activities, including its outboard regatta, were an asset to the city. It plans now, the letter said, to build a new dock.

A letter from City Engineer Arthur F. Hallinan to Alderman Eugene Cornwell of the 11th Ward, promised cooperation in extending the Tannery brook drain from Linderman avenue to Washington avenue. The letter, read at the session, explained that the city engineer would be glad to cooperate in such a project, which

he also revealed, could be extended south and west when the need arose.

## Held in Husband's Death

Reading, Pa., July 2 (AP)—The 54-year-old mother of seven children confessed slaying her unemployed husband with a butcher knife, Assistant District Attorney Fred L. Noch reported. The woman, Mrs. Josephine Deangelo,

was quoted by Noch as saying she killed 61-year-old Nicholas Deangelo last night after a quarrel.
